PROXY SOLICITATION

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation by management of CHAMPION IRON LIMITED (“Champion” or the “Corporation”) of proxies to be used at the Annual and Special Meeting (the “Meeting”) of the shareholders of the Corporation, to be held at the offices of Ashurst, Australia, Level 11, 5 Martin Place, Sydney, NSW, on Friday, August 7, 2015, at 10:00 a.m. (Sydney time) and at any adjournments thereof, for the purposes set forth in the notice of the Meeting (the “Notice”) accompanying this Circular.

All costs of this solicitation of proxies by management will be borne by the Corporation. In addition to the solicitation of proxies by mail, directors, officers and certain employees of the Corporation may solicit proxies personally by telephone or other telecommunication but will not receive additional compensation for doing so.

The information contained herein is given as of June 25, 2015, unless otherwise noted.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting.

PART ONE

VOTING INFORMATION

MEETING MATERIALS

The Corporation has distributed printed copies of this Circular, and the accompanying form of proxy and the Notice, (collectively, the “Meeting Materials”), directly to registered shareholders and to intermediaries for forward distribution to all NOBOs and to all OBOs (as such terms are defined herein). Meeting Materials forwarded to beneficial shareholders (as defined below) will likely not include the Corporation’s form of proxy but instead an intermediary’s Voting Instruction Form (“VIF”) (see below). Intermediaries are required to deliver these Meeting Materials to beneficial shareholders of the Corporation and to seek instructions as to how to vote their ordinary shares of the Corporation (“Ordinary Shares”). Brokers or agents can only vote the Ordinary Shares of the Corporation if instructed to do so by the beneficial shareholder.

The Corporation will assume the costs of mailing the Meeting Materials to the NOBOs and to the OBOs.

Notice-and-Access

Recent amendments to applicable securities legislation allow electronic delivery of meeting materials and/or delivery of meeting materials only to those who request them (“Notice-and-Access”). The Corporation is utilizing the Notice-and-Access mechanism that came into effect on February 11, 2013 under National Instrument 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”). Notice-and-Access is a set of rules that allows issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) online, via SEDAR at www.sedar.com and one other website, rather than mailing paper copies of such materials to shareholders. The Notice-and-Access provisions can be used to deliver materials for both special and general meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense. The Corporation will not rely upon the use of 'stratification'.

The Corporation anticipates that Notice-and-Access will directly benefit the Corporation through a reduction in both postage and material costs and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

The Corporation will deliver the Meeting Materials to Beneficial Shareholders on the Canadian Register by posting the Meeting Materials at <https://noticeinsite.tmxequity.com/ChampionIronASM2015>. The Meeting Materials will be available as of July 7, 2015, and will remain on the website for one full year. The Meeting Materials will also be available on the SEDAR website at www.sedar.com as of July 7, 2015. The Corporation intends to pay for the Intermediary to deliver to objecting Non-Registered Shareholders the proxy-related materials and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary* of NI 54-101.

In accordance with the rules set out in NI 54-101, the Corporation filed on SEDAR a notification of meeting and record date on May 28, 2015, being at least 25 days before the Record Date for the Meeting.

Shareholders on the Canadian Register will receive paper copies of a notice package (the “**Notice Package**”) via prepaid mail containing a notice with information prescribed by NI 54-101, a letter to Shareholders and a form of proxy (if you are a **Registered Shareholder**) or a voting instruction form (if you are a **Non-Registered Shareholder**), in each case with a supplemental mail list return box for Shareholders to request that they be included in the Corporation’s supplementary mailing list for receipt of the Corporation’s annual and interim financial statements.

Shareholders on the Canadian Register may obtain paper copies of the Notice, this Circular and the Corporation’s Annual Report to Shareholders free of charge, or more information about the Notice-and-Access mechanism, by contacting the Corporation’s transfer agent, Equity Financial Trust Company* (“**Equity**”), by email at TMXEInvestorServices@tmx.com, by telephone at 1-866-393-4891 ext. 205 up to and including the date of the Meeting, including any adjournment of the Meeting. In order to receive paper copies of these materials in time to vote before the Meeting, your request should be received by Wednesday, July 29, 2015.

** TMX Equity Transfer Services is operating the transfer agency and corporate trust business in the name of Equity Financial Trust Company for a transition period.*

APPOINTMENT AND REVOCABILITY OF PROXIES

CANADIAN REGISTERED SHAREHOLDERS

If you are a Canadian registered shareholder, you can vote your Ordinary Shares at the Meeting in person or by proxy. Your vote can be cast by you in person and counted at the Meeting. If you wish to vote in person at the Meeting, do not complete or return the form of proxy included with this Circular. If you do not wish to attend the Meeting or do not wish to vote in person, complete and deliver a form of proxy in accordance with the instructions given below.

Appointment of Proxy

A form of proxy is enclosed and, if it is not your intention to be present in person at the Meeting, you are asked to sign, date and return the form of proxy in the envelope provided. The persons named in the enclosed form of proxy are directors or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder of the Corporation), other than the persons designated in the enclosed form of proxy, to attend and vote for and on behalf of the shareholder at the Meeting. Such right may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the person to be appointed or by completing another proper form of proxy. Make sure that the person you appoint is aware that he or she is appointed and attends the Meeting.**

The form of proxy must be executed in writing or by electronic signature by the shareholder or his attorney duly authorized in writing or, if the shareholder is a corporation, by instrument in writing executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation. If the proxy is executed by a duly authorized attorney or authorized signatory of the shareholder, the proxy should reflect such person’s capacity following his or her signature and should be accompanied by the appropriate instrument evidencing such person’s qualifications and authority to act (unless such has been previously filed with the Corporation or the Corporation’s registrar and transfer agent, TMX Equity Transfer Services Inc.).

Depositing, Mailing or Faxing Proxy

Form of proxies to be exercised at the Meeting must be mailed to or deposited with the Corporation’s registrar and transfer agent, Equity Financial Trust Company, Suite 300, 200 University Avenue, Toronto, Ontario M5H 4H1, Attention: Proxy Department, or sent by facsimile to (416) 595-9593, such that they are received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the commencement of the Meeting or any adjournment thereof, in default of which they may be treated as invalid. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

A form of proxy is valid only at the meeting in respect of which it is given or any adjournment of that meeting.

Voting by Internet

If you are a Canadian registered shareholder, go to www.voteproxyonline.com and follow the instructions. You will need your control number (located on the form of proxy) to identify yourself to the system. You must submit your vote by no later than 10:00 a.m. (Sydney time) on Wednesday, August 5, 2015 or 48 hours (excluding Saturdays, Sundays and holidays) before the time and day of any adjourned meeting. If you vote by Internet, DO NOT mail back the proxy. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

Voting by Telephone

Equity currently does not offer telephone voting.

CANADIAN NON-REGISTERED OR BENEFICIAL SHAREHOLDERS

Your Ordinary Shares may not be registered in your name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or stock broker, or a clearing agency in which such an intermediary participates). If Ordinary Shares are listed in an account statement provided to you by a broker, then it is likely that those Ordinary Shares will not be registered in your name, but under the broker's name or under the name of an agent of the broker, such as CDS & Co. (the registration name for The Canadian Depository for Securities Limited), the nominee for many Canadian brokerage firms.

If your Ordinary Shares are registered in the name of an intermediary or a nominee, you are a non-registered or beneficial shareholder (a "**beneficial shareholder**"). Beneficial shareholders should be aware that only shareholders whose names appear on the share register of the Corporation are entitled to vote in person or by proxy at the Meeting. The purpose of the procedures described below is to permit beneficial shareholders to direct the voting of the Ordinary Shares they beneficially own. There are two categories of beneficial shareholders. Beneficial shareholders who have provided instructions to an intermediary that they do not object to the intermediary disclosing ownership information about them are considered to be Non-Objecting Beneficial Owners ("**NOBOs**"). Beneficial shareholders who have objected to an intermediary providing ownership information are Objecting Beneficial Owners ("**OBOs**").

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions.

If you have received the Issuers' Voting Instruction Form, you may return it to TMX Equity Transfer Services Inc.:

1. By regular mail in the return envelope provided,
2. By fax at 416.595.9593
3. By voting online at www.voteproxyonline.com and entering your control number as instructed on the log on page.

OBOs and other beneficial holders receive a VIF from an Intermediary by way of instruction of their Financial Institution. Detailed instructions of how to submit your vote will be on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Ordinary Shares they beneficially own. Should a non-registered holder who receives either form of proxy wish to vote at the Meeting in person, the non-registered holder should strike out the persons named in the form of proxy and insert the non-registered holder's name in the blank space provided. Non-registered holders should carefully follow the

instructions of their Intermediary including those regarding when and where the form of proxy or Voting Instruction Form is to be delivered.

VOTING PROCEDURE FOR CANADIAN BENEFICIAL SHAREHOLDERS

Brokers or agents can only vote the Ordinary Shares of the Corporation if instructed to do so by the beneficial shareholders. Every broker or agent has its own mailing procedure and provides its own instructions. Typically, a beneficial shareholder will be given a VIF which must be completed and signed by the beneficial shareholder in accordance with the instructions provided by the intermediary. The purpose of this VIF is to seek permission from the beneficial shareholder on how to vote on behalf of or otherwise represent the beneficial shareholder. A beneficial shareholder cannot use this VIF to vote or otherwise represent Ordinary Shares in person at the Meeting (but see below for a description of a new simplified procedure for a beneficial shareholder to attend the Meeting). If you are a beneficial shareholder, you must follow the instructions provided by the intermediary in order to ensure that your Ordinary Shares are voted or otherwise represented at the Meeting.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions (“**Broadridge**”). Broadridge mails the VIF to the beneficial shareholders and asks beneficial shareholders to return the VIF to Broadridge. Broadridge then tabulates the results of all VIFs respecting the Ordinary Shares to be represented at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the Ordinary Shares voted or otherwise represented at the Meeting. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

As a result of recent amendments to applicable securities legislation, the process for beneficial shareholders to attend and vote their own securities at the Meeting in person has been simplified. The requirement for beneficial shareholders to be sent a legal proxy upon request has been removed and instead, the Corporation or the intermediary (as applicable) is required to arrange, without expense to the beneficial shareholder, to appoint the beneficial shareholder or a nominee of the beneficial shareholder as a proxyholder if the beneficial shareholder has instructed the Corporation or intermediary to do so either by having filled in and submitted a request for voting instructions sent to the beneficial shareholder or by having submitted any other document in writing that requests that the beneficial shareholder or a nominee of the beneficial shareholder be appointed as proxyholder. The Corporation or intermediary who so appoints a beneficial shareholder as a proxyholder must deposit the proxy not less than 48 hours prior to the commencement of the Meeting, or any adjournment thereof so long as the Corporation or intermediary obtains the instructions from the beneficial shareholder at least one business day before the termination of that time. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

Occasionally, a beneficial shareholder may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Ordinary Shares owned by the non-registered shareholder but is otherwise not completed. This form of proxy does not need to be signed by you. In this case, you can complete and deliver the proxy as described above under the heading “Registered Shareholders”.

Voting by Internet, Telephone or Facsimile

If you are a beneficial shareholder and have been provided with a VIF from your broker or agent, you may be given the option of voting by telephone or facsimile – follow the instructions on the VIF. You will likely be able to vote by internet by accessing www.proxyvote.com, the URL or web address as provided in the VIF, entering the control number that appears on the VIF, indicating your vote on each proposal and selecting “final submission”.

Your vote **must be received by** 10:00 a.m. (Sydney time) on Wednesday, August 5, 2015 or 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and day of any adjourned meeting. If you vote by Internet, DO NOT mail back the proxy. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

Beneficial shareholders should follow the instructions on the forms they receive and contact their intermediaries promptly if they need assistance.

REVOCAION OF PROXIES AND VOTING INSTRUCTION FORMS FOR CANADIANS

Any shareholder who executes and returns a proxy may revoke it to the extent it has not been exercised by depositing a written instrument executed by the shareholder or his, her or its attorney duly authorized in writing or by electronic signature or by transmitting by telephonic or electronic means, a revocation that is signed by electronic signature, or, if the shareholder is a corporation, by written instrument executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation:

- (a) with the Corporation's registrar and transfer agent, TMX Equity Transfer Services Inc., Suite 300, 200 University Avenue, Toronto, Ontario M5H 4H1, facsimile (416) 595-9593, Attention: Proxy Department, at any time up to the close of business on the last business day prior to the Meeting, or any adjournment thereof;
- (b) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof, at any time prior to a vote being taken in reliance on such proxy; or
- (c) in any other manner permitted by law.

A beneficial shareholder may revoke a voting instruction or may revoke a waiver of the right to receive meeting materials or a waiver of the right to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary is not required to act on any such revocation that is not received by the intermediary well in advance of the Meeting. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

DIRECT VOTES (AUSTRALIAN SHARE REGISTER ONLY)

A direct vote will enable Australian shareholders to vote on resolutions considered at the Meeting by lodging their votes with the Corporation prior to the Meeting. Direct voting will enable shareholders to exercise their voting rights without the need to attend the Meeting or appoint a proxy. An Australian shareholder may lodge a direct vote by using the voting form provided with the Notice.

A shareholder may lodge a direct vote by indicating on the voting form that the shareholder is casting the shareholders' vote directly and then placing a mark in one of the boxes opposite each item of business on the voting form. All of the shareholder's Ordinary Shares will be voted in accordance with such direction, unless the shareholder indicates that the shareholder's direction is:

- a. to vote only a portion of the shareholder's votes on any item; or
- b. to cast the shareholder's votes in different ways on any item,

by inserting the number of shares in the appropriate box or boxes.

If a shareholder indicates that the shareholder is lodging the shareholder's votes directly and then does not mark any of the boxes on a given item, no votes will be voted on that item.

If a shareholder indicates that the shareholder is lodging the shareholder's votes directly and then marks more than one box on an item, the shareholder's vote on that item will be invalid. If a shareholder inserts a number of shares in boxes on any item that in total exceed the number of Ordinary Shares the shareholder holds as at the voting entitlement time, the shareholder's vote on that item will be invalid, unless the shareholder inserted a number of shares in one box only on an item which exceeds the number of shares that the shareholder holds at that time, in which case the shareholder's vote will be taken to be valid for the number of shares actually held by that shareholder at that time.

Please note, a shareholder who has cast a direct vote may attend the Meeting, however, the shareholder's attendance cancels the direct vote unless the shareholder instructs the Corporation or the share registry otherwise.

APPOINTMENT OF PROXIES (AUSTRALIAN SHARE REGISTER ONLY)

A member of the Corporation entitled to attend and vote at the Meeting is entitled to appoint a proxy. The proxy may, but need not be, a shareholder of the Corporation.

If you wish to appoint the chairman of the Meeting as your proxy, mark the box in the Proxy Form. If the person you wish to appoint as your proxy is someone other than the chairman of the Meeting, please write the name of that person in the appropriate box in the proxy form. If you leave this section blank, or your named proxy does not attend the Meeting, the chairman of the Meeting will be your proxy.

If a proxy form is returned but the nominated proxy does not attend the Meeting, the chairman of the Meeting will act in place of the nominated proxy and will vote in accordance with any instructions on the proxy form. Proxy appointments in favour of the chairman of the Meeting, the Corporate Secretary or any Director that do not contain a direction how to vote will be used where possible to support each of the resolutions proposed in this Notice.

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional proxy form may be obtained by telephoning the Corporation's share registry at +61 8 9315 2333 or you may photocopy your proxy form.

To appoint a second proxy you must on each proxy form state (in the appropriate box) the percentage of your voting rights which are the subject of the relevant proxy. If both proxy forms do not specify that percentage, each proxy may exercise half your votes. Fractions of votes will be disregarded.

VOTING AND DISCRETIONARY AUTHORITY

The proxyholders named in the accompanying form of proxy shall and will vote the Ordinary Shares represented thereby on any ballot in accordance with the shareholder's direction set forth in the proxy. **IN THE ABSENCE OF SUCH DIRECTION, THE SHARES REPRESENTED THEREBY WILL BE VOTED (i) FOR THE ADOPTION OF THE REMUNERATION REPORT; (ii) FOR THE ELECTION OF THE MANAGEMENT NOMINEES NAMED IN THIS CIRCULAR AS DIRECTORS; and (iii) APPROVAL OF THE ISSUE OF OPTIONS TO MR. MICHAEL O'KEEFFE.** The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Notice and with respect to other matters as may properly come before the Meeting or any adjournments thereof. At the date of this Circular, management of the Corporation knows of no amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. If amendments, variations to matters identified in the Notice or if other matters properly come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote in accordance with their judgment on such matters.

RECORD DATE

The board of directors of the Corporation (the “**Board**” or “**Board of Directors**”) has determined that the holders of Ordinary Shares at 7:00 p.m. (Sydney time) on August 5, 2015 shall be entitled to receive notice of the Meeting and to vote at the Meeting, and any adjournment thereof. Accordingly, only shareholders of record on such record date are entitled to vote at the Meeting.

A simple majority of votes cast are required to approve all ordinary resolutions to be submitted to a vote of shareholders at the Meeting.

If you cannot attend the Meeting in person, you are encouraged to date, sign and deliver the accompanying proxy and return it in accordance with the instructions set out above under the heading ‘Part One’. Information in relation to proxy voting is set out in the following documentation.

OUTSTANDING VOTING SHARES, VOTING AT MEETINGS AND QUORUM

The capital of the Corporation consists of an unlimited number of Ordinary Shares. At the date hereof, the Corporation has 198,306,951 Ordinary Shares outstanding, each of which carries one vote per Ordinary Share. Holders of Ordinary Shares and exchangeable shares of the Corporation as of the Record Date shall be entitled to vote their Ordinary Shares personally or by proxy at the Meeting. Unless otherwise required by law, every question coming before the Meeting shall be determined by a majority of votes duly cast on the matter.

Proxies returned by intermediaries as “non-votes” because the intermediary has not received instructions from the beneficial shareholder with respect to the voting of certain shares or, under applicable regulatory rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such intermediary “non-votes” will, however, be counted in determining whether there is a quorum.

Pursuant to the constitution of the Corporation (the “**Constitution**”), a quorum for the Meeting is two voting members. Each individual present may only be counted once toward the quorum. If a member has appointed more than one proxy or representative, only one of them may be counted toward a quorum.

PRINCIPAL SHAREHOLDERS

To the knowledge of the directors and senior officers of the Corporation, as at the date hereof, no person or company beneficially owns, directly or indirectly, controls or directs Ordinary Shares carrying 10% or more of the voting rights attached to the outstanding Ordinary Shares of the Corporation.

As at the date hereof, the directors and officers of the Corporation as a group, beneficially owned, directly or indirectly, or exercised control or direction over, an aggregate of 16,649,257 Ordinary Shares representing approximately 8.4% of the issued and outstanding Ordinary Shares.

PART TWO

STATEMENT OF EXECUTIVE COMPENSATION

In accordance with the requirements of applicable securities legislation in Canada, the section below sets out the “Summary Compensation Table” and related tables and narrative disclosures to provide insight into executive compensation as a key aspect of the overall stewardship and governance of the Corporation and to help investors understand how decisions about executive compensation are made. - (8) A one-time payment to a company controlled by the NEO to terminate the professional services agreement with the NEO and reduce annual consulting fees to the NEO to \$72,000 per year effective January 1, 2015.

COMPENSATION DISCUSSION AND ANALYSIS

All matters relating specifically to senior executive compensation are reviewed and approved by the full Board. The Board appointed a Remuneration and Nomination Committee effective June 18, 2014. The Remuneration and Nomination Committee makes recommendations to the Board with respect to compensation of the Corporation's executive officers, including base salaries or consulting fees, annual bonuses and long-term equity participation levels. The Remuneration and Nomination Committee assists the Board in setting performance objectives. The Executive Chairman plays a major role in setting performance objectives and outlining progress in meeting corporate objectives and he will continue to make recommendations in the future. The Board gives final approval on compensation matters.

The Corporation's overall policy regarding compensation of the Corporation's executive officers is structured to provide competitive salary levels and compensation incentives that support both the short-term and long-term goals of the Corporation, attract and retain suitable and qualified executive management and establish a compensation framework which is industry competitive. The Corporation's policy is to recognize and reward individual performance as well as to place executive compensation within the range of compensation levels in the industry in which it operates, taking into account the size and scope of operations.

Each year the Board reviews and approves the Corporation's compensation policies and practices, taking into consideration the risks associated therewith. In addition, the Corporation reviews significant risks associated with its operations, the most significant of which are disclosed in the Corporation's annual Management's Discussion and Analysis for each fiscal year. The Corporation has not identified any risks associated with the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

The Corporation has adopted a Share Trading Policy, approved by the Board on June 18, 2014, forbidding NEOs and directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Ordinary Shares of the Corporation granted as compensation or held, directly or indirectly, by the NEO or director, without prior approval from the Executive Chairman.

Compensation Policy and Key Compensation Components

The Corporation's compensation program for its NEOs comprises base salaries or consulting fees, incentive bonuses, and incentive stock options. The Corporation recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. Salaries or consulting fees are paid by the Corporation to executives or companies they control at competitive industry rates for work of a similar nature by arm's length service providers.

The Corporation relies upon the knowledge and experience of its Remuneration and Nomination Committee and its Board to set appropriate levels of consulting fees and other compensation. These levels are based on the Corporation's performance and development and each NEO's performance. As the Corporation's operations have grown in size and complexity, the NEOs have been rewarded with increases in their compensation packages to reflect additional responsibilities and contributions. As well, from time to time during the year, the Remuneration and Nomination Committee may recommend grants of stock options. Previous grants are taken into account when making new grants.

Base Salary/Fees

The objectives of providing NEOs with a base salary or consulting fee are to recognize market rates of pay for comparable positions in the industry and to acknowledge the competencies and skills of individuals. The base salary or consulting fee paid to each NEO is reviewed annually by the Board as part of the annual review of executive officers. The final decision on whether to grant an increase to the NEO's base salary or consulting fee and the amount of any such increase is in the sole discretion of the Board, taking into consideration the recommendations of the Remuneration and Nomination Committee. In making such decisions, the Board refers to the contributions of the NEO as well as to compensation rates for comparable positions in the industry. Stock options provide long-term compensation as well as aligning the interests of the NEOs with the Corporation and its shareholders.

Incentive Bonuses

The objective of incentive bonuses in the form of cash is to add a variable component of compensation, based on corporate and individual performances for executive officers, directors and employees and to ensure that the compensation provided by the Corporation is industry-competitive.

In considering the recommendations of the Remuneration and Nomination Committee in respect of annual bonuses, the Board considers the implications of the risks associated with the Corporation's compensation policies and practices. After receiving the recommendation of the Remuneration and Nomination Committee to award no bonuses for the fiscal year 2014, the Board considered the risks associated with the state of the financial markets, the ability of the Corporation to raise money in such markets, and the need for the Corporation to preserve its capital from time to time in such markets, compared to the needs of the Corporation to retain and reward experienced qualified individuals to advance the Corporation's projects. The Board concluded it was not advisable to award bonuses to its NEOs and directors for their efforts during fiscal 2015.

Replacement Plan

On March 31, 2014, a business combination was completed pursuant to which the Corporation and a wholly-owned subsidiary, Champion Exchange Limited, acquired all 137,895,609 outstanding common shares of Champion Iron Mines Limited under a court-approved plan of arrangement (the "**Arrangement**"). The Arrangement also provided for the issuance of replacement stock options (the "**Replacement Options**") under the replacement stock option plan (the "**Replacement Plan**") to holders of approximately 9.47 million outstanding Champion Iron Mines Limited options ("**Champion Options**"), pursuant to the exchange ratio utilized in the Arrangement. No further options under this plan were, or will be, granted after March 31, 2014. On March 31, 2014, 6,944,667 Replacement Options were issued. Since then 2,671,168 Replacement Options expired unexercised whereby there are currently 4,273,499 Replacement Options remaining.

NEO Employment Contracts, Termination and Change of Control Benefits

The Corporation has written consulting services contracts with its NEOs. Some of the contracts provide for the payment and provision of other benefits triggered by a termination without cause or as a result of a change of control as described below:

The Corporation has an employment contract with its Executive Chairman and Chief Executive Officer, Michael O'Keeffe. Mr. O'Keeffe's contract is for a two year period and may be extended for an additional two year term, subject to the provision of written notice by either the Corporation or Mr. O'Keeffe. Under the terms of the employment contract, Mr. O'Keeffe received annual fees consisting of base salary and superannuation of A\$109,250 per year up to June 1, 2014, and thereafter, A\$171,780 to be reviewed annually. Pursuant to the employment contract, if there is a change in control of the Corporation which results in the termination of office for Mr. O'Keeffe, he would be entitled to receive an amount equal to one year's fees as described in the table below. As well, the Corporation may at its sole discretion terminate the employment of Mr. O'Keeffe without cause by providing three months written notice to Mr. O'Keeffe.

The Corporation has a professional services agreement, with a personal services corporation for the services of its Chief Financial Officer, Miles Nagamatsu which unless terminated, renews automatically on November 30. The professional services agreement provided for annual consulting fees of \$180,000 per year up to December 31, 2014, payable to Marlborough Management Limited, a corporation controlled and wholly-owned by Mr. Nagamatsu. Effective January 1, 2015 a one-time fee of \$90,000 was paid to reduce fees to \$90,000 per year payable to Marlborough Management Limited, pursuant to an amended professional services agreement, which unless terminated, renews automatically on November 30. Pursuant to the professional services agreement the contract may be terminated by the Corporation with a termination benefit equivalent of six month's fees.

The Corporation has a professional services agreement, with a personal services corporation for the services of its Chief Operating Officer, Alexander Horvath which unless terminated, renews automatically on November 30. The following table sets forth the estimated incremental payments that would have been required to have been made to each NEO, assuming a triggering event (change of control or termination without cause) took place on March 31, 2015. In addition, the Replacement Plan contains provisions for a change of control, a sale by the Corporation of all or substantially of all its assets, or termination, details of which are set out below under “*Replacement Plan*”.

Replacement Plan

The following is a summary of the key terms of the Replacement Plan. No stock options under this plan were issued after March 31, 2014, the closing date of the Arrangement. The Arrangement resulted in the issuance of Replacement Options of the Corporation to the holders of outstanding Champion Iron Mines Limited options.

The purpose of the Replacement Plan was to grant options to persons whose options in Champion Iron Mines Limited were exchanged under the Arrangement. The exercise price is the amount (rounded up to the nearest one hundredth of a cent) equal to the quotient of what each Replacement Option was, using (i) the exercise price per Champion Iron Mines Limited share subject to such Champion Iron Mines Limited option immediately prior to March 31, 2014; and (ii) the exchange ratio. All other terms of each Replacement Option is the same as the terms of the Champion Iron Mines Limited option for which it was exchanged. As at the date of this Circular, a maximum of 4,273,499 Ordinary Shares are issuable pursuant to the terms of the Replacement Plan and 4,273,499 stock options are issued and outstanding. No further stock option grants will be made pursuant to the Replacement Plan.

Under the Replacement Plan, options were granted in favour of directors, officers, key employees (part-time or full-time) or consultants of corporations that are wholly-owned by any of the foregoing, or consultant companies of the Corporation or any its subsidiaries (“**Eligible Persons**”). No financial assistance is, was or will be provided by the Corporation to participants in the Replacement Plan to facilitate the purchase of shares under the Replacement Plan.

The Replacement Plan does not limit the participation of insiders.

The Board will comply with all the TSX, ASX and other regulatory requirements in administering the Replacement Plan. The Board may amend or discontinue the Replacement Plan at any time upon receipt of any necessary regulatory approval including without limitation, the approval of the TSX or any other exchange. The powers of the Board to amend the Replacement Plan shall include, but not be limited to:

- (a) Minor changes of a “housekeeping nature”;
- (b) Amending options under the Replacement Plan, including with respect to the option period, vesting period, exercise method and frequency, option price and method of determining the option price, assignability and effect of termination of the participant’s employment or cessation of directorship;
- (c) Accelerating vesting or extending the expiration date of any option, provided that the period during which an option was exercisable does not exceed 5 years from the date on which the option was granted; and
- (d) Adding a cashless exercise feature, payable in cash or securities,

provided that any such amendment is not detrimental to the option holder and that any amendments to the terms of the option shall also be subject to any necessary regulatory approvals, including without limitation, the approval of the TSX or any other exchange.

Shareholder approval will be required to amend the Replacement Plan where the listing rules of the Australian stock exchange require shareholder approval to be obtained.

Champion Iron Limited Share Incentive Plan

On June 25, 2014, the Board approved, subject to shareholder approval, which was obtained on August 29, 2014, amendments to the share incentive plan (the “**Plan**”) (i) to reserve 20% of the issued and outstanding Ordinary Shares of the Corporation from time to time (39,661,390 Ordinary Shares as of the date of this Circular), for issuance to participants under the Plan and (ii) so that upon exercise of an option the Ordinary Shares which had been reserved to be issued pursuant to the Plan shall become available to be issued upon the exercise of subsequent stock option grants. Prior to the amendment, the Company’s plan had no plan maximum. The Ordinary Shares issuable under the Replacement Plan are not counted towards the number of Ordinary Shares issuable under the Plan.

Any increase in the issued and outstanding Ordinary Shares will result in an increase in the available number of Ordinary Shares issuable under the Plan, and any exercises of options will make new grants available under the Plan effectively resulting in a re-loading of the number of options available to grant under the Plan. No financial assistance is or will be provided by the Corporation to participants in the Plan to facilitate the purchase of shares under the Plan. The Plan does not limit the participation of insiders.

In accordance with the requirements of the Toronto Stock Exchange (the “**TSX**”) shareholders must re-approve the Plan every three years.

Under the rules of the TSX governing security based compensation arrangement, specific shareholder approval is required for any amendment to amendment provisions of the Plan. The Plan has incorporated amendment provisions requiring shareholder approval for (a) any reduction in the exercise price after an option has been granted, except in the case of an adjustment pursuant to the Plan held by an insider; (b) any extension of the expiry date of an option held by an insider, or any cancellation of such an option, and the substitution of that option with a new option with extended expiration date, except in case of an extension due to a black-out period; (c) any amendment which increases the maximum number of Ordinary Shares that may be issued under the Plan; (d) any amendment to these amendment provisions; and (e) any other matters that may require shareholder approval under the rules and policies of the TSX. The Plan has also incorporated the following amendment provisions which may be made at the Board’s discretion without shareholder approval for items including, but not limited to, the following: (a) any amendment of

a “housekeeping” nature, including without limitation those made to clarify the meaning of an existing provision of the Plan, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correct any grammatical or typographical errors or amend the definitions in the Plan regarding its administration; (b) a change to the vesting provisions of the Plan; (c) a change to the provisions governing assignability and the effect of termination of a Participant’s employment, contract or office, or cessation of a Participant’s directorship; and (d) the addition of a form of financial assistance and any amendment to a financial assistance provision which is adopted.

Subject to the provisions of the Plan, the directors may receive recommendations of management or any committee of the Board and shall determine and designate from time to time those Participants to whom options should be granted, the number of Ordinary Shares which will be optioned from time to time to such Participants and the terms and conditions of each such grant of options. The Board will comply with all the TSX and other regulatory requirements in granting options and otherwise administering the Plan.

All stock options granted have an exercise price determined and approved by the Board of Directors at the time of grant, which shall be granted at a price equal to the volume weighted average trading price of the Ordinary Shares on the TSX or other public market if not listed on the TSX for the five (5) consecutive trading days immediately preceding the date of the award, provided that such purchase price shall not be less than that from time to time permitted under the rules of any stock exchange or exchanges on which the Ordinary Shares are then listed. The term and vesting period for options granted under the Plan is determined at the discretion of the Board but in no circumstances shall the options granted pursuant to the Plan have a term in excess of five years.

The Plan is considered a “rolling plan”, as the reloading of options is permitted under the Plan and options that are exercised, surrendered, terminated or expire without being exercised no longer represent Ordinary Shares reserved for issuance under this Plan and do not decrease the number of Ordinary Shares issuable. The number of Ordinary Shares issuable to any one participant cannot exceed 5% of the Ordinary Shares then outstanding for a particular class of shares (on a non-diluted basis).

The Board of Directors reserves the right, in its sole discretion, to suspend or terminate the Plan. In the event of a suspension or termination, the rules applicable to existing options acquired will continue to operate. Subject to the Corporations Act, the Listing Rules and any other applicable law, the Plan may be amended by the Board of Directors so as to add to, delete or otherwise vary the Plan at any time and in any manner it sees fit in its absolute discretion without shareholder approval. No amendment to the Plan may be made which reduces the rights of Participants in respect of options acquired by them prior to the date of the amendment, other than an amendment introduced primarily:

- a) For the purpose of complying with or conforming to present or future State, Territory or Commonwealth legislation, or the Listing Rules
- b) To correct any manifest error or mistake; or
- c) to address possible adverse tax implications In respect of the Rules arising from, among other things:
 - i. rulings from the Commissioner of Taxation;
 - ii. changes to tax legislation (including an official announcement by the Commonwealth of Australia); or
 - iii. changes in the interpretation of tax legislation by a court or tribunal of competent jurisdiction

A summary of some of the additional provisions of the Plan are as follows:

1. The Plan does not limit insider participation.
2. The maximum number of Ordinary Shares which may be issued to any one optionee and such optionee’s associates under the Plan and any other Share Compensation Arrangement in any 12 month period shall be 5% of the number of Ordinary Shares outstanding at the date of the issuance (on a non-diluted basis).
3. Options may not be assigned or transferred, with the exception of an assignment made to a personal representative of a deceased participant with the consent of the Board.
4. The Plan does not provide for financial assistance to Participants to facilitate the payment of the purchase price.

5. If an optionee dies while a Participant (if an individual), any vested option held by him at the date of death shall be exercisable, but only by the person or persons to whom the optionee's rights under the option shall pass by the optionee's will or the laws of descent and distribution. All such options shall be exercisable only for a six (6) month period after the date of death or prior to the expiration of the option period in respect thereof, whichever is sooner.
6. If an optionee ceases to be a Participant because of resignation, retirement or any reason other than cause or death, any vested option held by such optionee may be exercised only for a period of thirty (30) days after the date on which such optionee ceases to be a Participant, but in all cases such option shall expire and terminate within the maximum period provided by the TSX.

Where an option is granted on terms that entitle the Participant on vesting to a cash equivalent of the number of Ordinary Shares in respect of which option has vested or a vested option has been exercised, the Corporation will pay the cash equivalent to the Participant within such time as the Board determines, but subject to the listing rules of applicable exchanges and no later than one month after the vesting date for the option or the date of exercise of the option. The cash equivalent is the market value of those shares on the vesting date.

The Ordinary Shares of the Corporation have been listed and posted for trading on the ASX under the trading symbol "CIA" since April 3, 2014 and on the TSX under the trading symbol CIA since March 31, 2014. Prior to that time they were traded on the ASX under the symbol "MAB".

The following graph and table is a reporting requirement under Canadian securities laws, and compares the Corporation's five-year cumulative total shareholder return had \$100 been invested in the Corporation on the first day of the five-year period at the closing price of the Ordinary Shares on that date being April 1, 2010, with the cumulative total return of both the S&P/TSX Composite Index and the S&P/TSX Global Mining Index over the five most recently completed fiscal years ended on March 31.

An analysis of the trend in the graph below does not demonstrate a direct correlation between the "Shareholder Return" performance of the Corporation and the trend in the Corporation's compensation of its executive officers reported over the same period, with the exception of the fiscal year completed on March 31, 2014. From 2010 through 2012, the level of compensation of the Corporation's executive officers decreased dramatically, despite moderate gains in the "Shareholder Return" line as demonstrated in the graph. The significant rise from 2012 to 2014 in the Corporation's "Shareholder Return" in the graph below is attributable in part to: (i) the positive market sentiment towards the Corporation acquiring an iron ore project in Canada's Labrador Trough region, (ii) the Corporation's change in directorships and management in 2013, and (iii) the Corporation announcing and completing the acquisition of TSX-listed Champion Iron Mines Limited, holder of advanced iron-ore projects in the Labrador Trough.

The increase in the Corporation's "Shareholder Return" during 2013/2014 correlates to an increase in compensation of its executive officers in the fiscal year completed March 31, 2014, attributable to the Champion Iron Mines Limited acquisition and subsequent increase in personnel and exploration/development activity, the substantial increase in the market capitalization of the Corporation and the required management of a feasibility stage iron-ore

project. The positive market sentiment towards the Corporation, especially from 2012 to March 31, 2014, contradicts the general global trend and market downturn in the mining sector, as demonstrated by the decline in shareholder returns of the S&P/TSX Global Mining Index since March 31, 2011. The Corporation’s “Shareholder Return” for the most recent fiscal year trended downwards dramatically, attributable to the negative market sentiment towards the iron ore mining market. For the most recent fiscal year there was no direct correlation between the Corporation’s “Shareholder Return” and the level of compensation of its executive officers. Despite the dramatic decrease in the Corporation’s share price, significant advances are being made by the Corporation towards completing the Feasibility Study which would help develop the asset base of the Corporation. Changes in remuneration do not precisely track the movements of the Corporation’s Ordinary Shares as the Corporation does not consider this as an appropriate measure at this stage of the Corporation’s development.

PART THREE

CORPORATE GOVERNANCE AND OTHER MATTERS

The Corporation’s Board of Directors and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation and, as recommended under the policies of the Canadian securities regulators, the Corporation has included in this Circular the following disclosure respecting its corporate governance practices.

National Instrument 58-101 “*Disclosure of Corporate Governance Practices*” (“**NI 58-101**”), requires each listed company to disclose on an annual basis its approach to corporate governance. The Corporation’s disclosure with respect to the guidelines is set out in Schedule “A” to this Circular, and constitutes the Corporation’s statement of Corporate Governance Practices. Shareholders are advised to consult Schedule “A” for more detailed information on the Corporation’s Corporate Governance Practices.

The Corporation understands that corporate governance standards and requirements are continually evolving. The Board of Directors has been charged with the responsibility of monitoring corporate governance regulatory developments, in particular the best practices recommended by the Canadian Securities Administrators, as set out in NI 58-101, and with reviewing the Corporation’s corporate governance policies and procedures in light of these developments.

BOARD OF DIRECTORS

Mandate of the Board of Directors

The Board of Directors approved a mandate which includes, among other duties and responsibilities, the following objectives: to approve and monitor the strategic, business and financial plans of the Corporation; to supervise performance and succession planning of senior officers; to assess the principal risk factors relating to the business of the Corporation; and to monitor and oversee the integrity of the financial reporting and disclosure practices of the Corporation. Every Director is required to act honestly and in good faith with a view to the best interests of the Corporation and to exercise the care, diligence and skill of a reasonably prudent person. Responsibilities not delegated to senior management or to a committee of the Board of Directors remain those of the full Board of Directors.

Orientation and Continuing Education of Board Members

New members to the Board of Directors receive an orientation package which includes company policies and public disclosure filings by the Corporation. Meetings of the Board of Directors are held at the Corporation’s facilities and are combined with presentations by the Corporation’s management and employees to give the directors additional insight into the Corporation’s business. In addition, management of the Corporation makes itself available for discussion with all members of the Board of Directors.

Measures to Encourage Ethical Business Conduct

The Board of Directors has adopted a written Code of Conduct as further described in Schedule A, clause 5. Pursuant to the Code of Conduct the Board ensures that all directors, officers and employees conduct themselves in an ethical and manner. Each director and executive officer is required to fully disclose his interest in respect of any transaction or agreement to be entered into by the Corporation. Once such interest has been disclosed, the Board of Directors as a whole determines the appropriate level of involvement the director or executive officer should have in respect of the transaction or agreement, which may include convening a Special Committee of independent directors. In addition, all directors and executive officers are subject to the requirements of the Corporations Act (Australia) with respect to the disclosure of any conflicts of interests and the voting on transactions giving rise to such conflicts.

Nomination of Members to the Board of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to effectively carry out the duties of the Board of Directors and to maintain a diversity of view and experience.

The Board of Directors appointed a Remuneration and Nomination Committee on June 18, 2014. For additional information on the duties and responsibilities of this committee, please see “*Corporate Governance and Other Matters – Committees of the Board – Remuneration and Nomination Committee*” below.

BOARD COMPOSITION AND COMMITTEES

The Board of Directors is currently comprised of four (4) members of whom a majority, three (3), are independent within the meaning of section 1.4 of National Instrument 52-110 “Audit Committees” (“**NI 52-110**”). The Board of Directors has appointed an Audit Committee and a Remuneration and Nomination Committee.

COMMITTEES OF THE BOARD

Audit Committee

The Audit Committee is currently composed of three (3) members: Andrew Love (chair), Gary Lawler and Paul Ankcorn. Reference is made to the Annual Information Form of the Corporation dated June 29, 2015 for the year ended March 31, 2015 (the “**AIF**”) and filed under the Corporation’s profile on SEDAR at www.sedar.com which contains the information required to be disclosed by the Corporation under 52-110. More specifically, reference is made to the “*Audit Committee Information*” section of the AIF for information regarding, among other things, the composition of the Audit Committee of the Corporation, the independence and relevant education and experience of the Audit Committee members and external auditor service fees, and to Schedule “A” of the AIF which is the Audit Committee Charter.

Remuneration and Nomination Committee

The Corporation has a Remuneration and Nomination Committee composed of three (3) Board members. The current members are Gary Lawler (Chair), Michael O’Keeffe and Andrew Love. Mr. Lawler was appointed Chairman of the Remuneration and Nomination Committee on June 18, 2014. The Remuneration and Nomination Committee makes recommendations to the Board of Directors in connection with the compensation of officers and directors and nomination matters. Please see “*Statement of Executive Compensation – Compensation Policy and Key Compensation Components*” above and Schedule “A” – “*Statement of Corporate Governance Practices*” for further information.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON AND INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Management is not aware of any material interest, direct or indirect, of any proposed nominee for election as a director, any person who is or has been at any time a director or executive officer within the last financial year or any associate or affiliate of any of the foregoing in any matter, other than the election of directors or the appointment of the auditors, to be acted upon at the Meeting, except as disclosed in this Circular. Management is not aware of any material interest, direct or indirect, of any “informed person” of the Corporation, insider of the Corporation, proposed director, person who has been a director or executive officer within the last financial year or any associate or affiliate of any of the foregoing, in any transaction since the commencement of the Corporation’s most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation, except as disclosed within this Circular. An “informed person” means, (i) a person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year, (ii) a proposed nominee for director, (iii) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation, (iv) any person or company who beneficially owns or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation, (v) the Corporation, in the event that it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any such securities and (vi) any associate or affiliate of the foregoing.

PART FOUR

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

(a) Financial Statements

The audited financial statements of the Corporation for the fiscal year ended March 31, 2015, together with the director’s and the auditors’ report thereon, will be placed before the shareholders at the Meeting for consideration by

the shareholders. These audited financial statements have been approved by the Board of Directors of the Corporation and are being mailed to the shareholders who have requested them with the Meeting materials. They are also available under the Corporation's SEDAR profile at www.sedar.com.

(b) **Remuneration Report**

The remuneration report is required to be considered for adoption in accordance with section 250R(2) of the *Corporations Act*. The Remuneration Report, which details the Corporation's policy on the remuneration of non-executive directors, executive directors and senior executives for the financial year ending March 31, 2015, is part of the directors' report contained in the Corporation's 2015 Annual Report.

The vote on this resolution is advisory only and does not bind the directors of the Corporation. A reasonable opportunity will be given for the discussion of the Remuneration Report at the Meeting.

In accordance with Division 9 of Part 2G.2 of the *Corporations Act*, if 25% or more of votes that are cast on the resolution are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, shareholders will be required to vote at the second of those annual general meetings on a resolution for the purposes of section 250V(1) of the *Corporations Act* ("**Spill Resolution**"). If more than 50% of shareholders vote in favour for the Spill Resolution, the Corporation must call another general meeting to be held within 90 days, immediately from the end of which all of the Corporation's directors will cease to hold office unless re-elected at that meeting.

The persons named in the accompanying form of proxy intend to vote the shares represented thereby FOR the adoption of the Remuneration Report, unless the shareholder has specified on the proxy that the shares represented thereby are to be voted against or withheld from voting in respect thereof.

(c) **Election of Directors**

Background

The Constitution of the Corporation provides for a minimum of three (3) and a maximum of nine (9) directors.

The Board of Director may from time to time determine to increase the maximum number of directors but the maximum applying at any time cannot be reduced except by the Corporation in general meeting.

Subject to the Corporation's Constitution, the Board may appoint a person to be director at any time except at a general meeting and any Director so appointed automatically retires at the next annual general meeting and is eligible for election by that meeting.

The Board of Directors has set the number of directors to be elected at the Meeting at four (4).

Majority Voting Policy

Rules of the TSX, which became effective December 31, 2012, require a listed issuer to disclose in the materials sent to its shareholders for a meeting at which directors are to be elected whether or not it has adopted a majority voting policy and, if not, to explain why it has not adopted such a policy in its meeting materials. A majority voting policy generally requires that a director tender his or her resignation if the director receives more "withheld" votes than "for" votes (a "**majority withheld vote**") at any meeting where shareholders vote on the uncontested election of directors. An "uncontested election" means the number of director nominees for election is the same as the number of director positions on the Board. A majority voting policy does not apply in the event of a contested election of directors.

On July 15, 2014 (Toronto time), the Board of Directors adopted a majority voting policy. Under this new policy, a director of the Corporation is required to tender his or her resignation if the director receives a majority withheld vote at any meeting where shareholders vote on the uncontested election of directors. The resignation would become effective upon acceptance by the Board. The Remuneration and Nomination Committee will review the circumstances of the election and make a recommendation to the Board as to whether or not to accept that tendered resignation. The Board must make a decision as soon as reasonably possible and in any event within 90 days of the

resignation. The director who tendered the resignation would not be part of the decision-making process. The Board may fill a vacancy created by a resignation which has been accepted or may reduce the size of the Board.

In keeping with the rules of the TSX, the Corporation will continue to elect each director annually and individually and will forthwith after the shareholders' meeting issue a press release disclosing the detailed results of the voting for directors.

The enclosed form of proxy allows shareholders to direct proxyholders to vote individually for each of the nominees named below as director of the Corporation.

(d) Approval of issue of options to Mr. Michael O'Keeffe

For the purpose of section 10.14 of the ASX Listing Rules, and Chapter 2E of the Corporations Act, and for all other purposes, shareholders are being asked to consider, and if thought fit, approve the grant to Mr. Michael O'Keeffe of 1,000,000 options to acquire Ordinary Shares in the capital of the Corporation, under the Corporation's Share Incentive Plan, exercisable at A\$0.30 each and expiring on the third anniversary from the date of grant. As Mr. O'Keeffe has been a director of the Corporation up to the date of the Meeting, shareholder approval under Listing Rule 10.14 is required for the issue of options to him.

As required by the ASX Listing Rules, the Corporation will disregard any votes cast on this resolution by Mr. O'Keeffe, being a person who will receive securities under this resolution, and any associate of Mr. O'Keeffe. However, the Corporation will not disregard a vote on this resolution if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the direction on the proxy form; or
- it is cast by the Chair as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

As required by the Corporations Act, no member of the Corporation's key management personnel or a closely related party of any such member may vote as a proxy on this resolution unless:

- a person voting votes as a proxy appointed by writing that specifies how the proxy is to vote on this resolution; or
- the person voting is that Chair who votes as a proxy appointed by writing that does not specify the way the Chair is to vote on this resolution but which expressly authorises the Chair to vote on this resolution even though that resolution is connected directly or indirectly with the remuneration of the Chair as a member of the key management personnel.

Approval of the issuance of options to Mr. O'Keeffe will require that it be passed by a majority of the votes cast by disinterested shareholders thereon in person and by proxy, and excludes votes cast by Mr. O'Keeffe, any associate of Mr. O'Keeffe, members of the Corporation's key management personnel or closely related parties of any such members, as described above.

Management of the Corporation recommends that shareholders vote in favour of the resolution to confirm and approve the issue of options to Mr. O'Keeffe. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the confirmation and approval of the option and related share issuances under the Share Incentive Plan.

SCHEDULE “A”

CHAMPION IRON MINES LIMITED (the “Corporation”)

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

1. Board of Directors

- (a) *Disclose the identity of directors who are independent.*

The board of directors of the Corporation (the “**Board**”) is currently comprised of four (4) directors, of whom three (3) are independent within the meaning of Section 1.4 of National Instrument 52-110 “*Audit Committees*” (“**NI 52-110**”). The independent directors are Andrew Love, Gary Lawler and Paul Ankcorn.

- (b) *Disclose the identity of directors who are not independent and describe the basis for that determination.*

Michael O’Keeffe is currently Executive Chairman and Chief Executive Officer (“**CEO**”) of the Corporation and is, therefore, not independent. The Board believes that the current combination of independent and non-independent directors is an acceptable balance, for an issuer of the size and nature of the Corporation, between the objective of independent supervision of management, the insight drawn from outside members of the business and professional community, and the in-depth knowledge of the operations of the Corporation afforded by the participation of its current executive officer on the Board.

- (c) *Disclose whether or not a majority of directors are independent. If a majority of directors are not independent, describe what the board of directors does to facilitate its exercise of independent judgment in carrying out its responsibilities.*

The current Board consists of four (4) members, a majority of whom, three (3), are independent within the meaning of Section 1.4 of NI 52-110. Following the Annual and Special Meeting of Shareholders on August 7, 2015, if management’s nominees are elected a majority of the directors will continue to be independent.

- (d) *If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the issuer.*

The following current directors and proposed nominees are also directors or trustees of other reporting issuers.

Name of Director	Reporting Issuer
Michael O’Keeffe	Riversdale Resources Ltd.
Gary Lawler	Cartier Iron Corporation, Riversdale Resources Limited
Andrew Love	Gateway Lifestyle Operations Ltd
Paul Ankcorn	ACME Resources Corp., Tartisan Resources Corp. and Fancamp Exploration Ltd.

- (e) *Disclose whether or not the independent directors hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. If the independent directors hold such meetings, disclose the number of meetings held since the beginning of the issuer’s most recently completed financial year. If the independent directors do not hold such meetings, describe what the Board does to facilitate open and candid discussion among its independent directors.*

The independent directors did not hold regularly scheduled meetings without management and non-independent directors present. The Chairman of the Board has over 30 years' experience in the public company sector as a shareholder, director and CEO and provides strong leadership and counsel to the Board. The independent directors regularly attend Board and committee meetings in person or by teleconference which encourages open, candid discussion. The Audit Committee holds meetings with the external auditors which also encourages open, candid discussion. Directors have the resources to engage outside consultants to review matters on which they feel they require independent advice.

It is responsibility of the Chairman of the Board to ensure that all of the business set out in the agenda is openly and candidly discussed with adequate input by each director and brought to resolution, as required.

- (f) *Disclose whether or not the chair of the Board is an independent director. If the Board has a chair or lead director who is an independent director, disclose the identity of the independent chair or lead director and describe his or her role and responsibilities. If the Board has neither a chair nor a lead director who is independent, describe what the Board does to provide leadership for its independent directors.*

Michael O'Keeffe is Executive Chairman of the Board (and is therefore not independent within the meaning of Section 1.4 of NI 52-110).

- (g) *Disclose the attendance record of each director for all Board meetings held since the beginning of the issuer's most recently completed financial year.*

2. **Board Mandate**

- (a) *Disclose the text of the Board's written mandate. If the Board does not have a written mandate, describe how the Board delineates its roles and responsibilities.*

The Board approved a mandate which includes, among other duties and responsibilities, the following objectives: to approve and monitor the strategic, business and financial plans of the Corporation; to supervise performance and succession planning of senior officers; to assess the principal risk factors relating to the business of the Corporation; and to monitor and oversee the integrity of the financial reporting and disclosure practices of the Corporation. Every Director is required to act honestly and in good faith and in the best interests of the Corporation and to

exercise the care, diligence and skill of a reasonably prudent person. Responsibilities not delegated to senior management or to a committee of the Board remain those of the full Board.

3. **Position Descriptions**

- (a) *Disclose whether or not the Board has developed written position descriptions for the chair and the chair of each Board committee. If the Board has not developed written position descriptions for the chair and/or the chair of each Board committee, briefly describe how the Board delineates the role and responsibilities of each such position.*

The Board does not have written position descriptions for the Chairman of the Board or the chair of each committee of the Board, however the Corporation's various charters do touch upon the role and responsibilities of the chairs of each committee of the Board. The Chairman of the Board has a responsibility to the Corporation and the shareholders to act in accordance with best practices of corporate governance. The Chairman of the Board, and the Board as a whole, encourage the chairs of each committee to act in accordance with best practices of corporate governance, with measures ranging from informal advice to more formal governance training.

- (b) *Disclose whether or not the Board and CEO have developed a written position description for the CEO. If the Board and CEO have not developed such a position description, briefly describe how the Board delineates the role and responsibilities of the CEO.*

The Board has not developed a written position description for the CEO, however since the CEO is also on the Board, the Board is able to delineate the role and responsibilities of the CEO in an open and efficient manner. The CEO has over 30 years' experience in the public company sector as a shareholder, director and CEO and provides strong leadership and direction to the Corporation. The CEO is familiar with the role and responsibilities of a CEO of a mineral resource company such as the Corporation and the Board is willing and able to, and does, provide advice and guidance as required.

4. **Orientation and Continuing Education**
